

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE NOTICE OF PURCHASED GAS)	
ADJUSTMENT FILING OF COLUMBIA)	CASE NO. 90-063-D
GAS OF KENTUCKY, INC.)	

O R D E R

On October 10, 1990, the Commission issued its Order in Case No. 90-063 approving certain adjustment in rates and providing under certain conditions for the further adjustment of such rates when the wholesale cost of gas is increased or decreased or a refund is received.

On May 1, 1992, Columbia Gas of Kentucky, Inc. ("Columbia") filed for an interim adjustment to its gas cost pursuant to its gas cost adjustment ("GCA") clause, which was to become effective June 1, 1992. Subsequently, on May 21, 1992, Columbia filed to revise its initial filing based on the correction of a mathematical error.

After reviewing the record in this case and being otherwise sufficiently advised, the Commission finds that:

1. Columbia's notice of May 21, 1992 set out certain revisions in rates which Columbia proposed to place into effect, said rates being designed to pass on to its customers the wholesale increase in gas cost from its suppliers in the amount of 24.61 cents per Mcf excluding take-or-pay billings. Columbia's expected gas cost for the remainder of the semi-annual period is \$3.7314 per Mcf.

2. Columbia's notice set out a fixed charge recovery rate of 1.04 cents per Mcf to recover pipeline contract reformation and take-or-pay charges from its customers.

3. Columbia's gas cost recovery rate of \$3.5770, which includes the fixed charge recovery component, represents an increase in retail rates of 24.60 cents per Mcf. This increase is the sole result of over-all supplier increases in rates.

4. Columbia's adjustment in rates, pursuant to the gas cost adjustment provisions approved by the Commission in its Order in Case No. 90-063, dated October 10, 1990, is fair, just, and reasonable, in the public interest, and should be effective with gas supplied on and after the date of this Order.

IT IS THEREFORE ORDERED that:

1. The rates in the Appendix to this Order, attached hereto and incorporated herein, are fair, just, and reasonable, and are approved effective with gas supplied on and after the date of this Order.

2. Within 30 days of the date of this Order, Columbia shall file with this Commission its revised tariffs setting out the rates authorized herein.

Done at Frankfort, Kentucky, this 9th day of June, 1992.
